Supper Matt Wood Grain PVC Sheet For Furniture Kitchen Cabinet Door

Product Description:

Material:

The primary ingredient used in our pvc foil is Polyvinyl Chloride (PVC), a synthetic plastic known for its remarkable strength, flexibility, and ease of processing.

Appearance:

We offer a diverse range of colors, patterns, and textures for our pvc foil. It is able to mimic the appearance of real materials, such as wood, stone, cloth, or metal, at a more affordable price, while still maintaining a premium look and feel.

Adaptability:

Our foil is suitable for a variety of surfaces, including walls, doors, cabinets, and furniture. Its versatility allows it to be effectively used in various interior spaces.

Durability:

Realsun Deco PVC foil is highly renowned for its strength and longevity. It is resistant to deterioration, making it a popular choice for high-traffic areas that require durability.

Maintenance:

Once our pvc foil is installed, it requires minimal attention. A simple wipe down with a wet cloth once a week is all it needs, making maintenance easy and hassle-free.

Economical:

One of the key benefits of using pvc decorative foil is its lower cost compared to natural materials. This allows for the creation of sophisticated aesthetics without the high associated costs.

Modification:

Manufacturers offer a wide range of styles and finishes, making it possible to modify the foil to meet project requirements and individual design preferences.

Application:

PVC decorative foil is a popular choice for a variety of purposes, including wall paneling, furniture surfaces, retail displays, interior doors, and kitchen and bathroom cabinets, in both residential and commercial settings.

Features:

Product Name: Wood Grain PVC Film

OEM: Available

Thickness: 0.1mm-0.5mm

MOQ: 3000m/model

Material: PVC

Packing: Pack In Roll With Foam Sheet, Kraft Paper And Plastic Sheet

Wood effect PVC film

PVC film for door

Wood grain PVC film

Applications:

Membrane Press (Vacuum Press)

Thickness: 0.20-0.50mm

Width: 1260mm, 1400mm

Length: 100-300m/roll

Cover on a variety of materials such as MDF, particleboard, wooden board, and fiberboard for applications including doors, kitchen cabinets, wardrobes, and furniture. Can also be used to emboss boards and cover all five surfaces at the same time.

Wrapping Profiles

Thickness: 0.12-0.18mm

Width: 40-1260mm

Length: 300-800m/roll

Ideal for covering all types of profiles, including wood, aluminum, and PVC, for door frames, window sills, base channels, and PVC ceilings.

Cold Laminating

Thickness: 0.12-0.20mm

Width: 1240-1260mm

Length: 300-500m/roll

Suitable for covering flat panels like wood, steel, aluminum, and PVC, for doors and furniture.

Hot Laminating

Thickness: 0.16-0.30mm

Width: 1260mm

Length: 200-300m/roll

Specifically designed to cover PVC, steel, and aluminum panels for applications such as doors and skirting.

Self-Adhesive

Thickness: 0.10-0.20mm

Width: 600mm/1220mm

Length: 5-50m/roll

A versatile option that can be applied to any smooth surface for furniture and indoor decorations.

Packing and Shipping:

Packaging and Shipping for Wood Grain PVC Film

Our Wood Grain PVC Film is carefully packaged to ensure its safe arrival at your doorstep. Below are the details of our packaging and shipping process:

Packaging:

Each roll of Wood Grain PVC Film is wrapped in protective foam sheet to prevent any scratches or damage during transit.

The rolls are packed in roll with kraft paper and plastic sheet.

For bulk orders, the rolls are stacked on wooden pallets and securely wrapped with plastic film to prevent shifting during transport.

Shipping:

We offer worldwide shipping for our Wood Grain PVC Film. Our shipping methods include:

Standard shipping: Our standard shipping method is via sea freight, which is the most cost-effective option for large orders.

Express shipping: For urgent orders, we offer express shipping via air freight.

Customized shipping: We can accommodate any special shipping requests from our customers, such as specific carriers or delivery dates.

Once your order is shipped, we will provide you with a tracking number so you can easily monitor its progress and estimated delivery date. For any additional inquiries or concerns, please don't hesitate to contact our customer service team.
