Product Description

0.1mm-0.5mm Thickness Wood Grain PVC Film OEM Service Width 1260mm

Product Description:

- 1. Material:** Our PVC foil is made of Polyvinyl Chloride (PVC), which is a synthetic plastic known for its strength, flexibility, and ease of processing.
- 2. Appearance:** We offer a diverse selection of colors, patterns, and textures for our PVC foil. It can replicate the look of real materials like wood, stone, fabric, or metal, while also being more cost-effective and maintaining a high-end appearance.
- 3. Adaptability:** Our foil is suitable for a wide range of surfaces, including walls, doors, cabinets, and furniture. It can be effectively applied in various interior spaces, making it a versatile choice.
- 4. Durability:** Realsun Deco PVC foil is known for its durability and resistance to deterioration. Its long lifespan makes it a popular option for high-traffic areas.
- 5. Maintenance:** Our PVC foil requires minimal maintenance once it is installed. Simply wiping it down with a wet cloth once a week is all that is needed, making upkeep effortless.
- 6. Economical:** One of the biggest advantages of using decorative PVC foil is its lower cost compared to natural materials. It allows for the creation of sophisticated aesthetics without the hefty price tag.
- 7. Modification:** With a wide variety of styles and finishes offered by manufacturers, it is easy to modify our PVC foil to meet the specific requirements and design preferences of any project.
- 8. Application:** Our decorative PVC foil is commonly used for wall paneling, furniture surfaces, retail displays, interior doors, kitchen and bathroom cabinets, and many other uses in both residential and commercial settings.

Packing and Shipping:

Wood Grain PVC Film Packaging and Shipping

Our Wood Grain PVC Film is carefully packaged and shipped to ensure its safe arrival to your doorstep.

Packaging

The film is rolled and placed in a sturdy cardboard tube to prevent creasing and damage.

The tube is sealed with plastic end caps to keep the film secure during transit.

Each tube is labeled with the product name and size for easy identification.

Shipping

We offer a variety of shipping options to meet your specific needs:

Standard shipping: Orders are shipped via ground transportation and typically arrive within 5-7 business days.

Expedited shipping: For urgent orders, we offer expedited shipping options with guaranteed delivery within 2-3 business days.

International shipping: We ship our products globally and can accommodate international shipping requests. Please contact us for more information.

Tracking information will be provided for all orders so you can easily track your shipment's progress.

At Wood Grain PVC Film, we take great care in packaging and shipping our products to ensure they arrive in perfect condition. If you have any questions or concerns about our packaging and shipping process, please don't hesitate to contact us.
