Product Description

Product Description:

The Wood Grain PVC Film is a versatile and high-quality product suitable for various applications. With a thickness ranging from 0.1mm to 0.5mm, this PVC film offers durability and flexibility for different projects. Whether you need a thin or slightly thicker material, this product can meet your requirements.

When it comes to color options, the Wood Grain PVC Film stands out with its wide range of choices. With more than hundreds of wood grain designs to choose from, you can easily find the perfect match for your project. Whether you prefer a classic oak finish, a modern walnut look, or a rustic pine design, this PVC film provides endless possibilities for customization.

As the name suggests, the Wood Grain PVC Film is perfect for creating a natural and authentic wood look. Whether you are working on furniture, cabinets, or doors, this decorative PVC foil can elevate the appearance of any surface. The realistic wood grain patterns give your projects a premium finish without the need for expensive hardwood materials.

When it comes to payment terms, we offer flexibility to our customers. You can choose from a variety of options including T/T, L/C, Western Union, and more. We strive to make the purchasing process convenient and hassle-free, ensuring a smooth transaction for all parties involved.

The Wood Grain PVC Film is designed to cater to different preferences when it comes to surface finish. Whether you prefer a glossy, matt, embossed, textured, super matt, or soft touch surface, this product offers versatility to suit your specific needs. Each surface option provides a unique look and feel, allowing you to achieve the desired aesthetic for your project.

Applications:

Realsun Deco Wood Grain PVC Film, originating from Foshan, China, is a high-quality decorative PVC foil suitable for a variety of applications. With a minimum order quantity of 3000m per model, the price is negotiable, making it a cost-effective solution for your projects.

Perfect for furniture, doors, and various interior design applications, this PVC film offers a versatile solution to enhance the aesthetics of your space. The surface finishes available include glossy, matt, embossed, textured, super matt, and soft touch, catering to different design preferences.

With a width of 1260mm or 1400mm, the Wood Grain PVC Film is waterproof, anti-flame, and easy to clean, ensuring durability and longevity. The packaging details include packing in a roll with foam sheet, kraft paper, and plastic sheet for secure transportation.

Thanks to the Supply Ability of 500000m per month, you can rely on a steady availability of this product for your projects. Additionally, OEM services are available, allowing you to customize the PVC film to suit your specific requirements.

Whether you are a designer, furniture manufacturer, or contractor, the Realsun Deco Wood Grain PVC Film is a reliable choice for adding a touch of elegance and sophistication to your products. The delivery time of 15-20 days and payment terms of T/T 30% down payment, 70% balance before shipment ensure a smooth transaction process.
