## Product Description

### Product Description:

The PVC Decorative Film, also known as PVC marble film, is a versatile and durable product designed for various applications in the furniture and interior design industry. With a thickness ranging from 0.10mm to 0.50mm, this PVC membrane for furniture offers excellent protection and aesthetic enhancement for surfaces such as cabinets, doors, walls, ceilings, profiles, and more.

Made from high-quality PVC material, this PVC marble film is not only visually appealing but also provides practical benefits. Its non-toxic properties ensure a safe environment, making it suitable for both residential and commercial spaces. Additionally, the film is anti-flame, offering an extra layer of protection in case of fire incidents. Its moisture-proof feature makes it ideal for areas prone to humidity or dampness, ensuring long-lasting performance and appearance.

With a width of 1260mm and 1400mm, the PVC Decorative Film can easily accommodate various surface sizes and shapes, providing flexibility in application. Whether you are working on a small cabinet project or covering a larger wall or ceiling area, this film offers the versatility and coverage you need.

When it comes to enhancing the look and durability of furniture or interior surfaces, the PVC Decorative Film is a reliable choice. Its PVC material ensures strength and resilience, while its decorative features mimic the luxurious look of marble, adding a touch of sophistication to any space. Whether you are a furniture manufacturer, interior designer, or DIY enthusiast, this PVC marble film is a valuable addition to your toolkit.

In conclusion, the PVC Decorative Film is a premium product that combines style, functionality, and safety in one package. Its versatile application, non-toxic composition, anti-flame properties, and moisture-proof feature make it an ideal choice for various furniture and interior design projects. Whether you are looking to revamp your cabinets, doors, walls, ceilings, or profiles, this PVC membrane for furniture provides the protection and aesthetic appeal you need.
