Product Description

Product Description:

Introducing our premium PVC Decorative Film, the perfect solution for adding a touch of elegance and protection to your surfaces. Whether you are looking to refurbish your furniture, doors, or walls, our PVC Decorative Film is the ideal choice. Crafted from high-quality PVC material, this versatile product offers exceptional durability and aesthetic appeal.

With a length range of 100m to 400m, our PVC Decorative Film provides ample coverage for various projects, making it suitable for both residential and commercial applications. The flexibility in length allows you to customize the film according to your specific needs, ensuring efficient and cost-effective usage.

One of the standout features of our PVC Decorative Film is its non-toxic composition, providing a safe and environmentally friendly option for your lamination needs. Additionally, the film is designed to be anti-flame, offering an added layer of protection and safety in case of unexpected fire incidents. Its moisture-proof properties make it ideal for areas that are prone to dampness, ensuring long-lasting performance and visual appeal.

Crafted exclusively from PVC material, our PVC Decorative Film guarantees superior quality and longevity. PVC is known for its strength, resilience, and resistance to abrasions, making it an excellent choice for high-traffic areas or surfaces that are exposed to frequent use.

Available in two width options, 1260mm and 1400mm, our PVC Decorative Film caters to various surface dimensions and design preferences. Whether you are working on standard-sized projects or larger applications, our film provides versatility and ease of use, allowing you to achieve seamless and professional results.

Our PVC Decorative Film comes with a minimum order quantity (MOQ) of 3000m per model, ensuring that you have an adequate supply for your projects. The MOQ requirement allows for efficient planning and cost-effective procurement, making it convenient for both individual users and businesses.

Transform your surfaces with the premium quality and functionality of our PVC Decorative Film. Whether you are in need of PVC door foil, PVC lamination foil, or PVC door foil, our product offers the perfect solution for enhancing the aesthetics and durability of your spaces. Elevate your interior design projects with the superior performance and style of our PVC Decorative Film.
